

Gear Up for Read Around the World!

Travelers, get ready to read! Starting **Monday, November 3rd**, the Kaiser Woodland Parent Faculty Organization (KWPF0) will roll out the **Read-a-Thon Fundraiser!** This year's theme is "**Read Around the World**," and we invite all students to pack their imaginary suitcases with books and set off on a globe-trotting adventure of reading.

Whether your student is reading independently or being read to, we hope that your family can use this opportunity to journey across continents—exploring new cultures, faraway places, and exciting adventures—through the pages of a good book.

From **November 3rd to November 14th**, we invite our readers to:

- Create a Read-a-Thon account at **mybooster.com**
- Log reading minutes and collect online donations at **mybooster.com**
- Complete your **Read-A-Thon Passport** (included)
- Visit **kwpfo.org/read-a-thon** or scan the QR code on the back for more information

Read-a-Thon is not just about reading; it's also about robustly supporting our schools. KWPF0 has set an ambitious **goal of \$45,000!** Thanks to your support, we are able to fund teacher grants to enhance classroom learning. Additionally, we fund two part-time support teachers and various programs in technology, arts, science, and enrichment, ensuring a well-rounded educational experience for all students.
